

TRANSMISSION GEARS

FOR YOUR HIGH-PERFORMANCE E-BIKE

Customizable

Easy
Integration

Smart Design

SHIFT TO THE NEXT LEVEL WITH POWDER METAL

- ✓ Advanced & customized Powder Metal net-shape forming technology
- ✓ High load & torque carrying capacities to meet ideal performance
- ✓ Easy integration & lightweight design features at no additional cost
- ✓ Save cost by eliminating expensive machining operations
- ✓ Sustainable manufacturing targeting 100% material utilization
- ✓ Best-in-class manufacturing processes and design support from the world leader in powder metallurgy
